

## Dr Arijit Das's methodology , formulae and book on chemistry indexed in MIT library

By Our Correspondent

Agartala, June 29, 2025

Tripura's renowned chemistry scholar Dr Arijit Das who has been made a member of the world famous American Chemical Society (ACS) after innovating as many as 21 new methodologies and invented 40 formulae has added another shining feather to his already swollen cap . Ten of his most important articles, published in world famous chemistry journals ,one book titled 'Innovative Mnemonics in Chemical Education-a hand book for class room lecture' , published earlier by the Cambridge Scholars have now been included in the online library of the 'Masschettts Institute of Technology' (MIT), USA . This is the highest ranking university in the world in the study arena of science and technology.

Earlier , Dr Das's articles and book containing his 21 methodologies and 40 formulae had been included in the online libraries of the universities of Stanford (USA, third in the world), Oxford (UK, fourth in the world), Harvard (USA, 5th in the world) and now after inclusion in the MIT digital or online library Dr Das's whole innovative and inventive works figure in the top four among top five university libraries in the world. Moreover, some of Dr Arijit Das's works have also been included in an educational software indexed in the city college of New York, USA.

Dr Arijit Das's innovative and inventive methodologies and formulae have brought about a revolution in the study of chemistry in educational institutions. His works and contributions have been appreciated by top chemistry scholars and researchers from India and abroad.
